Reviews Editor: Vivien Hughes, email: vivienhughes@fastmail.co.uk

I have made the following selection of the latest books from Canadian publishers that may be of interest to reviewers for BJCS.

Please let me know if you would like to review any of them, and I will request a review copy for you.

I'd be glad of your help in choosing titles especially suggestions of books published by lesser known Canadian publishers.

Please look through all the sections as some books are relevant for more than one discipline.
